RE: Modifications to Dufferin Wind Power project location – Addendum 5

Dear Jeff Hammond,

The Ministry of Natural Resources (MNR) has received the document dated March 14, 2013 that describes modifications to the Dufferin Wind Power project location made subsequent to MNR's letter confirming the Natural Heritage Assessment in respect of the project.

Upon review of the modifications, MNR is satisfied that the Natural Heritage Assessment requirements of Ontario Regulation 359/09 have been met. Please add this letter as an addendum to the confirmation letter issued May 9, 2012, and the subsequent re-confirmation letters issued August 16, 2012, October 22, 2012 and February 20, 2013 for the Dufferin Wind Energy Project.

If you wish to discuss, please contact Amy Cameron at Amy.Cameron@Ontario.ca or 613-732-5506.

Sincerely,

Sharon Rew
