RE: Modifications to Dufferin Wind Power project – Addendum #6

Dear Rebecca Crump,

The Ministry of Natural Resources (MNR) has received the document dated May 14, 2013 that describes modifications to the Dufferin Wind Power project location made subsequent to MNR's letter confirming the Natural Heritage Assessment in respect of the project.

Upon review of the modifications, MNR is satisfied that the Natural Heritage Assessment requirements of Ontario Regulation 359/09 have been met. Please add this letter as an addendum to the confirmation letter issued May 9, 2012 and subsequent re-confirmation letters issued August 16, 2012, October 22, 2012, February 20, 2013, and March 15, 2013 for the Dufferin Wind Power project.

If you wish to discuss, please contact Andrea Fleischhauer at andrea.fleischhauer@ontario.ca or 519-773-4723.

Sincerely,

ORIGNIALLY SIGNED BY
